Quarantine Regulations at The Atlantis Historic Inn

Prior to Arrival

You may send through a grocery list up to 72 hours before arrival and the items will be placed in your suite prior to check-in. Please remember to travel with your own thermometer as you will be required to record your daily temperatures twice a day as mandated by the Ministry of Health and Wellness.

Airport Transfer

These will be facilitated by the Authorised Airport Taxis at the airport who have been trained in COVID-19 Protocols. These drivers are required to transport travellers directly to their hotel. No intermediate stops are permitted.

Arrival at The Atlantis Historic Inn

Guests will be taken directly to their suite where they will be greeted by one of our managers. Guests will be required to wear a face mask, have their hands sanitized and their temperature taken. Luggage will be sanitised before staff take it up to the suite. Check-in formalities will be conducted in the suite where guests will be reminded of the regulations in place until their second negative result is returned.

Movement on Property

Guests in quarantine are not able to move around the property. These guests must remain in their suites and are only permitted to leave in the event of an emergency or when leaving the property to have their second test administered. Meals can be ordered from the restaurant during opening hours and delivered to their suites. Meal deliveries from third parties can also be delivered to the office and these will be delivered to the suites immediately.

Housekeeping

The suite will be prepared with sufficient towels, bathroom amenities, tea and coffee for the first three days. Should a guest require additional supplies, they will be left by the door to the suite. Once a second negative test is returned, housekeeping will commence once every three days. Our housekeeping staff will be adorned with PPE and it is preferred that suites be vacant when housekeeping is conducting their service.

Dining

All dining will be done inside the suite until the return of a second negative test. Trays can be left outside the door when finished.

Communication with Front Desk

Any queries a guest may have can be made by using the room phone located in their suite.

Arrangements for Second Test

You can call the Barbados COVID-19 Hotline from your suite telephone at 536-4500 to arrange your second test once you arrive. They will advise you of the present options available to you. Alternatively, we can book you a private test, done in your suite starting from \$150 USD with a faster turnaround time. This advice changes regularly due to the fluidity of the situation at hand. Test results normally return in 24 hours.

Thank you for choosing Atlantis Historic Inn for your holiday. Take care and stay safe
